Are you interested in American Indian women's health issues?

Have you had your annual women's wellness exams this year?

You are invited to attend a gathering of American Indian women who can make a difference in their own health. This is an opportunity to share in the company of women, create a flannel pillow to take home, participate in cup art and take part in Traditional Native Games. Come learn about women's health issues and about a resource that can help pay for women's wellness exams. This occasion will be fun and educational!

**Special Guest Speaker: Jillene Joseph (Gros Ventre)  
Executive Director for the Native Wellness Institute**

- Date: Tuesday, May 20, 2008
- Time: 5:00pm to 8:00pm
